Dear Sarah.Blake@news.com.au 614 32 323 342, My great grandfather is Sergeant "William Barker" 41 years - Tasmania, my grandpa Mervyn Barker - a lieutenant, my uncle Wilfird Barker, Army Major 18 years. My dad grew up in Admiralty House in Scotland for 19 years as his father was in charge of a torpedo testing station, after being Jacques Frederick Bayliss being an allied Commander during World War II. I know what's what and what's not. Bayliss is derived from..I made R v Bailiff. "Not guilty by reason of mental impairment" is Chief Justice Terence Higgins saying, "I am familiar with International Classification of Impairment Disability Handicap: Not Guilty." Every court has impaired in it, every jail has impaired in it, a precedent means very little if people do not actually know about it.

Even fewer people, sue the Chief Justice of the High Court of Australia and prompt every police commissioner to contact Canberra in one week about my High Court case. They rang Commander Don McCullough Head of Internal Investigation. He rang me and said, "I am in absolute disbelief as in the last week every police commissioner in the country contacted me regarding your High Court Writ. And you one hell of a knack of predicting things, yes the police bashing you wrote about in the High Court Writ was on video." Needless to say, A, B, C, D, H, M, P, S police commissioners all work for me in 1995.

The Australian Crime Commission is governed by the Australian Crime Commission Act 2002.

The Australian Crime Commission commenced operation on 1 January 2003.

If you consider, all the evidence archived at <http://australiancrimecommission.blogspot.com.au/> you will find australianfederalpolice.blogspot.com.

If you consider the calibre of my contribution to society of a High Court Writ against 1788 Police Commissioner, Directors of Public Prosecutions, Ombudsman, Administrator (NT), Governors, Governor - General, Members of Legislative Assembly, Members of Legislative Council, Members of House of Representatives, Senators, Senior Officers of Higher Education and Chief Justice of High Court of Australia you will find my effort is unprecedented.

It is also incongruent with inciting and encouraging, aiding and abetting, Rachel Michelle Piercey 6 March 1973 b Scafferville Quebec Canada, to fabricated evidence, make false accusations, commit perjury, commit perjury with the intent to procure a conviction and pervert course of justice in 92, 93, 94, & 95. It would only be a very stupid person who would sue 1788 in High Court and then hold a gun at Rachel Michelle Piercey's head...to get a long life in jail. Considering a Barker is a crier of the court and a Bailiff is a minor court official with police authority, I am really in touch with my family ancient history.

I am "Alexander Marcel Andre Sebastian Barker Bailiff" and I am able for you to excite society with whatever story you feel you could write. Thanks

If you do your home work, you will find Uncle Wilf Barker was "Australia most significant television player ever." Then he started Channel 10 in Melbourne. Then Rupert Murdoch bought it and Uncle Wilf became Ruperts right hand man and they raised US\$40 million for the Los Angeles Games. Uncle Wilf came back and started Sports Marketing and Management and did a great many things, before he won bid to hold 2000 Olympics in Sydney. He then raised US\$2,600,000,000 in media and marketing rights. He also won a logie for Australia live...I made <http://australianolympiccommittee.blogspot.com.au/> and I rang the Australian Olympic Committee to let them know what I am working on and about the blogspot.com and my ultimate expose...You can be it!!!!

I am able to meet you...if you promise you will not attack Sir Anthony for his negligence or Andrew for waiting until my case is extremely public. Thanks

Alexander Marcel Andre Sebastian Barker Bailiff

"7pm'ish Wednesday 16 November 2011

Dear Bernard, YCS 98Z & YLY 777 –
BERNARD COLLAERY TAX FRAUD

It is great to see you driving your red puegot. Whilst your landcruiser is parked at 35 Anembo Street. No doubt you will delight in explaining how much anal and oral and vaginal intercourse you had with Angela Magnocavallo when YLY 777 was parked overnight at 48 Anembo Street Narrabundah. ANGELA MAGNOCAVALLO has walked over to my place and told me she is suicidal since you multiple penetrated her. Or have you both said to me "You are having a relationship." If you you drive my family violence partner case 10528-9 of CC2011 to suicide I will call for you to be charged with aiding and abetting a suicide. Or did you come to tell me ANGELA MAGNOCAVALLO has suicided by 6:15pm 16 November? Or did you waiti for an hour to: - or threaten to:-

1. Punch me?

2. Get four people to do whatever they could to me?

3. To ask me how I would feel about helping you ensure ANGELA MAGNOCAVALLO has 7 orgasms everytime you take her to bed as she knows she has 7 orgasms everytime she goes to bede with me? Unlike you I am fairly fit!

4. To tell me ANGELA MAGNOCAVALLO is deceased after taking an amphetamine (speed) overdose as she feels guilty or ashamed?

As you have not penetrated ANGELA MAGNOCAVALLO for 9 months at a rate of countless orgasms a day, due to your extremely fit ability as per me than you will never enjoy the heightened quality of communication which has resulted in me asking ANGELA MAGNOCAVALLO if she will marry me, to which ANGELA MAGNOCAVALLO says "yes" before I give ANGELA MAGNOCAVALLO her next orgasm, until ANGELA MAGNOCAVALLO has at least 7.

Chief Justice Terrence Higgins can rely upon ANNE COLLAERY and similiar fact evidence to ascertain you copulate countless women, even 46 years your junior, even you clients ANAGELA MAGNOCAVALLO, 30 years your junior, when you appear in MAGISTRATES COURT DV 674 2011 and ALEXANDER MARCEL ANDRE SEBASTIAN BARKER BAILIFF can confirm your inability to provide seven orgasms to ANGELA MAGNOCAVALLO as per her long time lover, confidant and solemate.

Chief Justice Terr4ence Higgins does not need 7 High Court, 4500 Australian and New Zealand Barristers and 800 years of common law precedents prohibiting you from being allowed to practice as a solicitor for sleeping with a client ANGELA MAGNOCAVALLO and sleeping with a clients ALEXANDER MARCEL ANDRE SEBASTIAN BARKER BAILIFF's defacto, girlfriend, lover, solemate and vegetable garden companion.
A mother of our seven kids.

Yours sincerely

ALEXANDER MARCEL ANDRE SEBASTIAN BARKER BAILIFF

P.S. I WILL ENJOY HAVING YOU DECLARED BANKRUPT AS YOU OWE \$3 MILLION AND YOU ONLY MOVED TO 5 BROCKMAN STREET TO SAVE RENT"
