TYPE OF CLAIM

Alexander Marcel Andre Sebastian Barker Bailiff proposed to Angela Magnocavallo

every times we had intercourse during our 9 month relationship. I even introduced Angela to my barrister Bernard Collaery as I knew Angela loved me and that as Bernard Collaery had met Angela as my girlfriend, he would never consider lending her his car and seducing her on drives to Braidwood and taking her to parties without me as he was my barrister.

Dr Stephen Allnutt

From the outset it should be stated that the accused's presentation was unusual; he was wearing glasses, a hat, his effect was intense, he manifested pressured and rapid speech, he was difficult to interrupt and he had an urgent need to speak to me about "AM" and from the outset explained that he had been in a motor vehicle accident; he was overfamiliar, and perservated (returning to the same topic repeatedly) and disinhibited.

He commenced telling me that his solicitor was involved with his girlfriend, that BC had been a friend for 20 years and that he was having intercourse with his girlfriend (AM); he was distressed by this because BC was his solicitor and that having intercourse with his girlfriend was unprofessional; BC had been his neighbour for 20 years; he felt it upsetting that his confident (AM) told him she was now having a relationship with the solicitor.

On one BC came into his driveway and told him that he should punch him and that on a second occasion BC came and told him that AM loved him; BC was still involved in his case; he kept BC involved before BC had intercourse with his girlfriend.

He explained that the closest person in his life, Vanessa Camille Bayliss (his sister) was killed when she was 16 years of age in a motor vehicle accident, it was very upsetting for him; he was in a coma he said after this for about four weeks with loss of consciousness for about four weeks and broke his arm; he stated he was aged "15 years, 108 days and 12 hours" at the time that it happened.

He then again returned to the issue of how upset was about the relationship was having with his confident (AM) was having with BC at this stage that he appeared perserverative on this issue.

He then went onto state that following the accident, he had been told that he suffered "elevation of mood, reduced concentration span, overtalkativeness, expansiveness, overfamiliarity and euphoria"; he referred to a book on brain damage brought out by Blackwell Press and Lishman referring particularly to page 127.

He went onto speak about Justice Higgins and then went onto speak about issues surrounding the World Health Organisation and what sounded to me like diagnostic criteria for head injury.

In an attempt to keep him focused I enquired about his mental state; he said that at the time that I saw him, his mood was normal, he denied euphoria or depression; he thought that his concentration was "good" and then went onto tell he read the Bible in 14 days from New Year's Day between 14 January 2012 and between 27 December and 31 December 2011; that he read 700 pages of a book about what the Bible explains; he said when he read, all he had to do was to be away from distractions and he could focus on his reading; he had high energy levels, by way of example he explained to me that he had ridden his bike from "Canberra to Queanbeyan to Captains Flat to Majors Creek to the Araluen Valley and then to Moruya" he had got Nelson Mandela's book "Road to Freedom" and

read it in three nights and then returned to Canberra by bike, covering a distance of 452 kilometres.

He then referred back to BC and GC who was Mel Gibson's actual name and then he asked me if I had watched ABC news.

He went onto speak about David Spitzer who he said was the first cousin of his stepfather, that David's real name was Spitzer; he then referred to Professor Bates and that her husband had brain tumours and they did suicide pact in 1988; he spoke about the mother of Philip W Bates and that Erik Spitzer was the brother of Dr George Spitzer when he changed his name to Spicer (anglicised) the name because he was a GP.

He said that he was found not guilty by reason of mental impairment on 30 November 2011 and returned home and there was a restraining order and AM walked past his residence every day.

He stated that AM was his neighbour, he had met her sister near the bus stop and had been introduced to her in about January 2011; he did not see her for a week and a week later they had coffee and then entered a relationship; which lasted between February and October 2011.

From February to October 2011 he had an intimate relationship with AM; he said at no point did she terminate the relationship.

AM told him that she used speed for 10 years and that she supported her speed habit by having three jobs; when she said he took it to mean that she got her money to buy speed; he believed that AM had left Perth to avoid being involved in a legal matter involving her supplier; he thought it was important because AM would have realised by telling him about the speed habits and that she had three jobs; that in fact she was dealing.

It was not until October 2011 when AM accessed his "entire letterbox" and read all of his mail; she wanted to access his trust account; she had met his lawyer and public advocate; she met his lawyer, BC, who he said breached client confidentiality; she had looked through his mail; she ascertained what his trust was.

He then again explained that previously he had been in a motor vehicle accident and was unconscious for a month; he said he now thought that his lawful entitlement as a consequence of this was "multimillion dollars"; he had never "participated" in it because he was in the "High Court"; by suing the RTA he would not be a millionaire, he would be a billionaire because he introduced a diode that admitted light to luxury cars.

He went onto explain that he was a "savant" when he was 19 he was offered a million dollars to buy his first idea; his mother's brother (Uncle Barker) not only won the proposal to the International Olympic Committee to hold 2000 Olympics, he then raised \$2,600,000,000 in media and marketing rights for the Sydney Olympics.

Dear Bernard, YCS 98Z & YLY 777 ACTARA - BERNARD COLLAERY TAX FRAUD

It is great to see you driving your red puegot. Whilst your landrover is parked at 35 Anembo Street. No doubt you will delight in explaining how much anal and oral and vaginal intercourse you had with Angela Magnocavallo when YLY 777 was parked overnight at 48 Anembo Street Narrabundah. ANGELA MAGNOCAVALLO has walked over to my place and told me she is suicidal since you multiple penetrated her. Or as you have you have both said to me "You are having a relationship." If you drive my family violence partner case 10528-9 of CC2011 to suicide I will call for you to be charged with aiding and abetting a suicide. Or did you come to tell ANGELA MAGNOCAVALLO has suicided by 6:15pm 16th November? Or did you wait for an hour to:- or threaten to:-

1. Punch me?
2. Get four people to do whatever they could to me?
3. To ask me about how I would feel about helping you ensure ANGELA MAGNOCAVALLO has 7 orgasms everytime you take her to bed as she know she has 7 orgasms everytime she goes to bed with me? Unlike you I am fairly fit!
4. To tell me ANGELA MAGNOCAVALLO is deceased after taking an amphetamine (speed) overdose as she feels guilty or ashamed?

As you have not penetrated ANGELA MAGNOCAVALLO for 9 months at a rate of countless orgasms a day, due to your extremely fit ability as per me than you will never enjoy the heightened quality of communication which has resulted in me asking ANGELA MAGNOCAVALLO if she will marry me, to which ANGELA MAGNOCAVALLO says "yes" before I then give ANGELA MANGNOCAVALLO her next orgasm, until ANGELA MAGNOCAVALLO has had at least 7.

CHIEF JUSTICE TERRENCE HIGGINS can rely upon ANNE COLLAERY and similiar fact evidence to ascertain you copulate countless women, even 46 years your junior, even your clients ANGELA MAGNOCAVALLO, 30 years your junior, when you appear in MAGISTRATES COURT DV 674 of 2011 and ALEXANDER MARCEL ANDRE SEBASTIAN BARKER BAILIFF can confirm your inability to provide seven orgasms to ANGELA MAGNOCAVALLO as per her long time lover, confidant and solemate.

CHIEF JUSTICE TERRNCE HIGGINS does not need 7 HIGH COURT, 4500 AUSTRALIAN AND NEW ZEALAND BARRISTERS AND 800 YEARS OF COMMON LAW PRECEDENTS PROIBIT YOU FROM BEING ALLOWED TO PRACTICE AS A SOLICITOR FOR SLEEPING WITH A CLIENT ANGELA MAGNOCAVALLO AND SLEEPING WITH A CLIENT ALEXANDER MARCEL ANDRE SEBASTIAN BARKER BAILIFF'S DEFACTO, GIRLFRIEND, LOVER SOLEMATE AND VEGETABLE GARDEN COMPANION. A MOTHER OF OUR KIDS.
