

A Barker - crier of the court and a Bailiff - minor court official with police authority joins ANU Debating Society in 1992 O-Week after seeing a letter of their patron Chief Justice of the High Court of Australia. In the first week Vice President of the ANU Debating Society prints a defamatory document in ANU Debating News Letter. The Barker and Bailiff ask for an apology and the behaviour to stop immediately. Vice President Kath Cummins studying classics and law aspires to be a Fairfax journalist. However the Barker and Bailiff provides the ANU Debating Society an ultimatum of informing Patron Chief Justice of the High Court Sir Anthony Mason, Justice Mary Gaudron whose son went to school with his brother, Justice Michael Kirby who attended the World Health Organisation AIDS Conference in Seoul with his stepfather and of the Managing Director of makers of Scrabble after all they had defamed Scrabble and all of those who played Scrabble.

After Managing Director of the makers of Scrabble contacted the Barker and Bailiff who had founded the ANU Scrabble Society, he agreed to write a letter to the Chief Justice of the High Court as he was Patron of the ANU Debating Society who had defamed Scrabble, the ANU Debating Society had already incited and encouraged and aided and abetted Rachel Michelle Piercey studying Political Science who aspired to join the Australian Army, fabricated evidence being a letter to the ANU Committee Against Sexual Harassment asking the ANU to do something about the Barker and Bailiff. When Barker and Bailiff met Harry Geddes at the ANU Committee Against Sexual Harassment, he was read the 7 allegations that had been made against Barker Bailiff, naturally he denied the allegations and told Harry Geddes what had been actually going on ANU Debating Society. Harry Geddes said that Barker and Bailiff was actually the one being harassed in this case.

Once ANU Committee Against Sexual Harassment complaint by Rachel Michelle Piercey failed, Harry Geddes told her that Barker and Bailiff said he would just get a restraining order against Rachel Michelle Piercey. This idea in Rachel Michelle Piercey grew and she then started fabricating evidence for Philip Alan Selth ANU Pro-Vice Chancellor as to why ANU should indemnify her against legal costs by hiring lawyer. Richard Refshuage Deacons Graham James was hired for Rachel Michelle Piercey. So Rachel Michelle Piercey fabricated evidence, made a false accusation, committed perjury to her fellow ANU student friend and lover Constable Harry Thomas Hains of Australian Federal Police. Rachel Michelle Piercey made false accusation of threat to kill if she doesn't stop defaming him, Kath Cummins was actually defaming him. Richard Refshuage got the restraining order for Rachel Michelle Piercey prohibiting from actually going to his own lectures in 400 seat hall.

Once Rachel Michelle Piercey got restraining order she fabricated evidence that Barker and Bailiff actually knocked on her John XXIII door. Once Rachel Michelle Piercey fabricated evidence that Barker and Bailiff knocked on her John XXIII College door, she made a second false accusation that Barker and Bailiff rode around her at the ANU. Then a false accusation that Barker and Bailiff rang her on one occasion. Then a false accusation that Barker and Bailiff rang her a second time. Barker and Bailiff was arrested 5 times by Australian Federal Police. Barker and Bailiff was remanded for 55 days in Belconnen Remand Centre. Then Barker and Bailiff was taken to Canberra Hospital for an assessment. Constable Harry Thomas Hains rang Canberra Hospital to find out what access Barker and Bailiff had to make telephone calls. Constable Harry Thomas Hains informed Rachel Michelle Piercey and she fabricated evidence that Barker and Bailiff rang her from hospital.

Psychiatric nurse Mark Ryan was rung by the Australian Federal Police and told Barker and Bailiff had rung Rachel Michelle Piercey from hospital and that this was a breach of the restraining order and that the Australian Federal Police would like to arrest Barker and Bailiff. Mark Ryan told them that it was impossible that Barker and Bailiff rang Rachel Michelle Piercey. Rachel Michelle Piercey told Detective Constable Dave Baker that she had been raped by Barker and Bailiff. Detective Constable Dave Baker interviewed Barker and Bailiff in court cells on Friday of that week. Detective Constable Dave Baker told Barker and Bailiff that he knew how to get out of secure psychiatric ward in Woden, rape Rachel Michelle Piercey and then get back to secure psychiatric ward in Woden without being detected by anyone. Barker and Bailiff was convicted of four false accusations as the cases had entirely defeated the principles of the legal system. Just appeal.

The ANU Debating Society had ensured Barker and Bailiff was in Belconnen Remand Centre when the Patron Chief Justice of High Court of Australia attended the annual ANU Debating Society dinner with Philip Alan Selth and Richard Refshuage in attendance. Kath Cummins fabricated 5 more defamatory documents with Barker and Bailiff's name as though Barker and Bailiff actually wrote all 5 of them. After 5 arrests, 7 charges, 38 court appearances and 55 days in remand Barker and Bailiff filed his Supreme Court appeal and Justice John Gallop said, "I am going to acquit you now as the way the cases have been conducted in the Magistrates Court entirely defeats the principles of the legal system." As soon as Rachel Michelle Piercey's restraining order expired Philip Alan Selth ANU Pro Vice - Chancellor applied for a restraining order and Rachel Michelle Piercey accused Tjarda Strienstra of having threatened to kill her as he had given evidence in court.

In 1994 at World's Debating Tournament at Melbourne University Kath Cummins caused a security scare by saying that someone had threatened to kill her and she also circulated another defamatory document with Barker and Bailiff name on it as though he wrote it. The Chief Adjudicator Michael Gronow told all everyone that the ANU Debating Society had caused a security scare by someone had threatened to kill them and that they had delayed the tournament for half an hour and if they delay the tournament any longer that someone will threaten to kill them. Kath Cummins had incited and encouraged Rachel Michelle Piercey to fabricate evidence, make false accusations, commit perjury, commit perjury with the intent to procure a conviction and pervert the course of justice in 1992, 1993, 1994. Simon Brettel President of ANU Debating Society wrote a letter of apology concerning behaviour of ANU Kath Cummins and Kate Kelly.

As Barker and Bailiff had given ANU Debating Society 3 years to provide all the evidence he needed he prepared a few High Court Writ. The first being Writ of Negligence against Chief Justice of High Court and the second being a Writ of Mandamus against Chief Justice of High Court of Australia, Adelaide, Brisbane, Canberra, Darwin, Hobart, Melbourne, Perth and Sydney Police Commissioners, Directors of Public Prosecutions, Ombudsman, Administrator (Northern Territory), Governors, Governor - General, Members of Legislative Assembly, Members of Legislative Council, Members of House of Representatives, Senators and Senior Officers of Higher Education - 1788. Barker and Bailiff faxed High Court Writ to 224 Commonwealth Parliament Members. Every Police Commissioner contacted Canberra in one week in 1995 and the Australian Crime Commission Act was

passed in 2002. The Australian Crime Commission is the elite law enforcement agency in Australia.

Barker and Bailiff gave Chief Justice of the High Court 612 6270 6949 149 notice of inciting and encouraging, aiding and abetting, to fabricate evidence, make a false accusation, commit perjury, commit perjury with the intent to procure a conviction and pervert the course of justice in 1995 by the ANU Debating Society with a pre-event reminder in a letter to Chief Justice of the High Court of Australia and this letter was faxed to Philip Ruddock, Michael Lavarch, Australian Federal Police Commissioner 612 6131 5600, AFP Commander of Crime Squad, AFP Commander of Internal Investigations and Commonwealth Ombudsman. Rachel Michelle Piercey applied for a restraining order on "the basis a gun was held at her head" and "if he did not get his way he would kill her." Kate Kelly made a false accusation of threat to kill to Detective Superintendent Tim Fisher in 1996 and they all presume I will just not tell you.

Meanwhile Kath Cummins is in Washington working for Global Network Initiative - she is clearly unaware it only took one phone call to the Chief Executive Fairfax and she was fired from Australian Financial Review employment and another to Chief Executive Australian Broadcasting Corporation and she was fired from her ABC China employment. Meanwhile Rachel Michelle Piercey is in Washington working for Development Alternative Incorporated - she is clearly unaware it only took send to 20 literary agents want my work and Chief Executive Officer Development Alternative Incorporated will fire her from employment. Meanwhile Philip Alan Selth is in Sydney - he is clearly unaware s.52 Statute of Limitations Act does apply for Barker and Bailiff to sue all. Meanwhile Barker and Bailiff is in Sydney after having made a United Nations "not guilty by reason of mental impairment" precedent and waits to make Universal Declaration of Human Rights precedent.
